Please consider this letter to be confirmation that, as regards to City of Granbury Municipal Code (Section 4.02.006), it is permissible for various wineries and beer vendors to serve and sell beer and wine to patrons if they obtain the temporary permit required by the Texas Alcoholic Beverage Commission. This letter is in no way an opinion or commentary regarding the legality of such alcohol sales under the Texas Alcoholic Beverage Code.

All arrangements regarding the sale of beer & wine are to be made between the vendor and the TABC. As in the past, we request that you provide the city with a copy of your temporary TABC permit once it has been obtained. That copy may be provided by e-mail to me at rmacumber@granbury.org.

If you have any questions regarding the City Code and its potential impact on your plans for the festival, please do not hesitate to contact me. I may be reached via the e-mail address above or by phone at 682-279-8231.

Respectfully,
