

FOR IMMEDIATE RELEASE

Granbury Wine Celebration Raises \$7,000 for United Way of Hood County

Granbury, TX — [09/10/2025] — The Granbury Wine Celebration is proud to announce that between its **November 2024 Holiday Edition** and **April 2025 Spring Celebration**, a total of **\$7,000 has been contributed to the United Way of Hood County**, supporting essential programs that strengthen and serve local families and neighbors.

“What I love most is how these weekends bring people together. Every glass raised helps us lift each other up,” says host Melissa McGavock.

The Granbury Wine Celebration is organized by a dedicated team of locals and volunteers who value community and are passionate about supporting **Texas winemakers, artisans, and local charitable organizations**. What began as a way to highlight the region’s best wines has grown into one of Granbury’s most beloved events, combining culture, commerce, and community impact.

Looking ahead, the next **Granbury Wine Celebration: Holiday Edition** will take place **November 14–15, 2025**, once again transforming the historic Granbury Square into a festive destination of wine, shopping, music, and holiday cheer. Organizers also encourage guests to stay tuned for the announcement of the **Holiday Edition beneficiary**, continuing the tradition of giving back with each Celebration.
